In 1998, Oregon voters passed a law known as Measure 56. This law requires a notice be mailed to landowners when a change in land-use laws is proposed. Measure 56 requires the City of Tillamook to use the wording below in all such notices.

The City of Tillamook has determined that the adoption of the proposed zone changes may affect the permissible uses of your property, and other properties in the proposed rezone, and may change the value of your property per ORS 227.186. The City of Tillamook does not know how these zone changes may affect the value of your property, if at all.

The Tillamook City Council is considering the proposed code and zone map changes to the Tillamook City Comprehensive Plan Map and Zoning Map. The proposed changes are available for inspection at the Tillamook City Hall (located at 2211 3rd Street Suite A). A copy of the associated exhibits can be viewed at www.tillamookor.gov, and also are available for purchase at a cost of \$0.25 per page at the City Hall. Please allow one week for mailing. For additional information concerning the proposed zone changes and amendments to selected sections of the Tillamook City Comprehensive Plan, you may call the City Manager at 503-374-1829. Please leave your name, a daytime phone number, and a property location, such as an address.

HOW TO PARTICIPATE OR SUBMIT COMMENTS: Written comments should be directed to the City Manager or submitted during the public hearing on October 7, 2019. Any interested party may testify at the hearing or submit written testimony at or prior to the hearing. Written comments will be accepted until the close of the public hearing. Oral statements and testimony must be given at the public hearing.
